Twenty Eight of America's "Top 100" Long-Term Care Insurance Agents Are with Pattianne Baran's Organization, ACSIA Partners LLC

What makes them stand out?

Lakewood, OH August 12, 2015 – High-flying birds tend to flock together. At least that seems to be the case with long-term care specialists from ACSIA Partners LLC, a leading long-term care insurance agency. Twenty eight of them received the "2015 Long-Term Care Sales Achievement Award" and were among the top 100 individual LTCi producers, based on premium.

The awards are made annually by the American Association for Long-Term Care Insurance, the trade association for professionals dedicated to serving the nation's long-term care planning needs.

Why did ACSIA Partners LLC win such a large share of the awards? "It's simple," says Pattianne Baran, Lakewood-based agent with the company. "We put our clients' needs first, and they respond by giving us their trust."

"Also," Baran adds, "long-term care insurance is our specialty. We know the product inside out and recommend policies from multiple high-rated carriers, not just a single source. And we focus on education and service, not selling."

The company also attracts less experienced, up-and-coming agents who bring fresh perspectives and enthusiasm. "We help them grow and succeed," says Baran.

"They're the ones who will make the top-100 list in years to come," Baran adds. "Partly due to their own professionalism and partly due to help from our veterans, who want the whole organization to thrive."

As 77 million baby boomers approach retirement, "the demand for long-term care planning is likely to mushroom," says Baran. "To help fill the need, we'll be here with some of the top agents in the business."

Pattianne Baran is a leading long-term care solutions agent serving consumers and organizations in CO, FL, GA, IL, IN, KS, LA, MA, MD, MI, MO, MS, NC, NJ, OH, PA, RI, TN, TX, VA. "We're glad to help them find the best, most affordable solution for their situation," Baran says. "In addition to long-term care insurance, today's options range from critical illness insurance to annuities and life insurance with LTC riders."
